

M-Society

Connecting Residents.

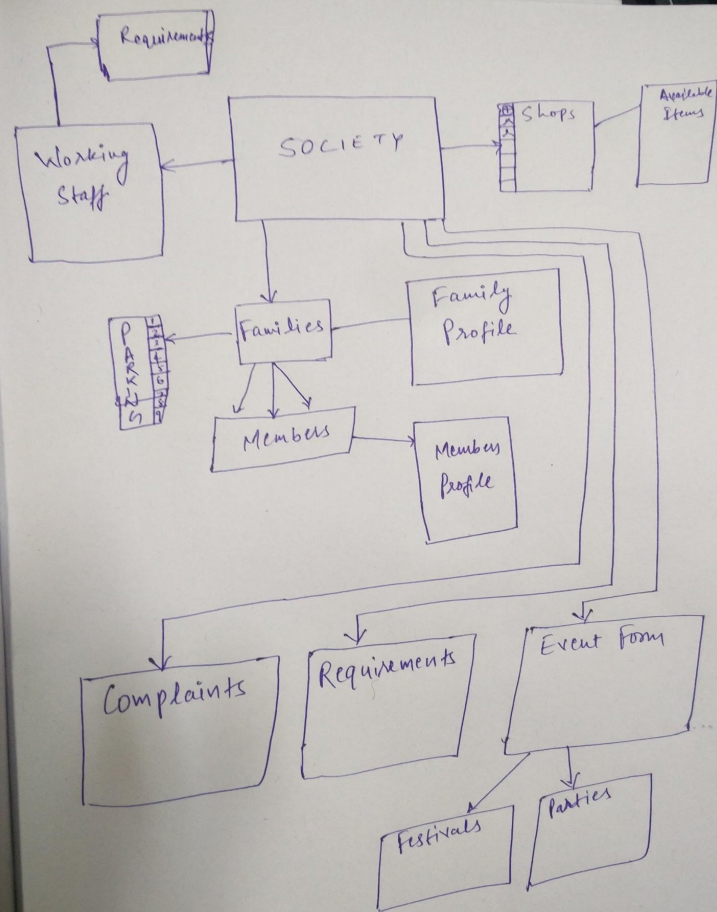

A laptop screen is shown with a dark overlay. On the screen, there is a line graph with two data series: 'New Visitor' (blue line) and 'Returning Visitor' (green line). The 'New Visitor' line shows a significant peak around the 19th day. Below the graph is a pie chart. The text 'Vision' is overlaid in large white font.

An aerial photograph of a city skyline at dusk or dawn. The sky is a mix of dark blue, purple, and orange. The city is densely packed with skyscrapers, many of which are illuminated with lights. The Empire State Building is prominent in the center, with its top lit in red and green. Other tall buildings are visible on the right side, including one with a distinctive green spire. The overall scene is a high-angle, wide shot of a major metropolitan area.
